Dear Sir:

I wish to take this means to personally express my deep appreciation for the opportunity of meeting you, and particularly to hear your challenging message in connection with the Executive Session of the BDSA Executive Reserve Conference on May 12.

Your forthright discussion as to the State of the Union and the National Defense has done much to crystallize my decision to recognize the true state of affairs and to lend my every effort in defense of preservation of the American Way of Life in this wonderful country of ours.

May God add His Blessing to you and give you strength to continue to serve your country, and may He also offer you and your family comfort in these trying times with respect to your Honored Brother and Statesman, John Foster Dulles.

Sincerely yours,
